Dear **Councilor Cabanlas**,

The City Agriculture office had proposed and planned to establish a City Agricultural Center at Brgy. Dansolihon and a City Composting Center at Brgy. Pagalungan.

The City Agricultural Center aims to be a focal point for agricultural development and education, offering resources and training to support local farmers and enhance agricultural productivity in the city. Additionally, it aimed to promote the adoption of suitable agricultural practices that would significantly improve the production outcomes for our local farmers.

Similarly, the City Composting Center would facilitate composting of organic waste materials and reduce the environmental impact of waste disposal. Additionally, it would provide a valuable source of fertilizers to support local farmers in the city.

Hence, we respectfully request your support in amending the ordinance to secure the required land for our proposed projects—the City Agricultural Center and City Composting Center. This amendment is crucial to facilitate the smooth establishment of these centers and advance our efforts in agricultural development and waste management within the city. Your support in this matter will be instrumental in realizing these important initiatives for our community.

If you have any further questions, please do not hesitate to contact Engr. Shalyn M. Zamoranos at her phone number: 09369306088.

Thank you for your prompt attention and favorable action on this matter.

Respectfully yours,

Dear Sir:

Greetings!

By virtue of City Ordinance No. 14143-2021, a four (4)-hectare portion of the city-owned 14.8-hectare lot in Barangay Pagalungan was segregated to be used as the site of the proposed LGU-operated Triple A Poultry Dressing Plant. But in light of recent developments, and in answer to your letter dated January 16, 2024 - the City Veterinary Office **INTERPOSES NO OBJECTION** to the proposed Composting Facility to be situated in the subject property, as we will no longer be utilizing the same.

In the same manner, we are in conformity with the proposal to re-purpose the site for composting and other facilities relevant thereto, and we submit to the wisdom of the City Council for the enactment of an ordinance to give effect to this plan.

Trusting that everything is in order.

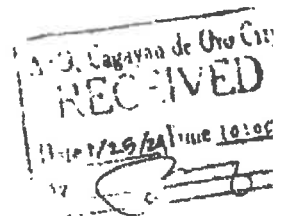

Thank you and More Power.

Dear **Councilor Cabanlas**,

The City Agriculture office had proposed and planned to establish a City Agricultural Center at Brgy. Dansolihon and a City Composting Center at Brgy. Pagalungan.

The City Agricultural Center aims to be a focal point for agricultural development and education, offering resources and training to support local farmers and enhance agricultural productivity in the city. Additionally, it aimed to promote the adoption of suitable agricultural practices that would significantly improve the production outcomes for our local farmers.

Similarly, the City Composting Center would facilitate composting of organic waste materials and reduce the environmental impact of waste disposal. Additionally, it would provide a valuable source of fertilizers to support local farmers in the city.

Hence, we respectfully request your support in amending the ordinance to secure the required land for our proposed projects—the City Agricultural Center and City Composting Center. This amendment is crucial to facilitate the smooth establishment of these centers and advance our efforts in agricultural development and waste management within the city. Your support in this matter will be instrumental in realizing these important initiatives for our community.

If you have any further questions, please do not hesitate to contact Engr. Shalyn M. Zamoranos at her phone number: 09369306088.

Thank you for your prompt attention and favorable action on this matter.

Respectfully yours,

Re: **CITY PLANT NURSERY OF THE CITY AGRICULTURE OFFICE IN
MANGALAY, DANSOLIHON**

Acting upon the request of the City Agriculture Office in the support of their efforts for the establishment for a new site for the City Plant Nursery situated in Mangalay, Dansolihon and documents need in compliance of a proposal for a city ordinance.

The said new site for the City Plant Nursery situated in Mangalay, Dansolihon is part of the Socialized Housing Project of our office, yet the proposed area is not suitable for housing but suitable for agriculture use due to the land slope. Hence, the City Housing and Urban Development Department Office **INTERPOSES NO OBJECTION AND IN-CONFORME** for the establishment of the said facility.

In the same manner, we are submitting to the wisdom of the City Council for whatever appropriate action should be given to this.

Attached is the Technical Description and Sketch Plan of the site for your perusal.

Thank you and God Bless.

ATTY. ROY HILARIO P. RAAGAS
City Administrator
Cagayan de Oro

Dear Atty. Raagas:

Greetings!

This is in response to the draft *Memorandum of Agreement* which was forwarded to the City Legal Office, seeking for appropriate action on the herewith attached Memorandum of Agreement, regarding the Completed Boulevard Road of Contract Package 1 (Kauswagan), Contract Package 2 (Consolacion) and Contract Package 3 (Macasandig) under FRIMP-CDOR and the Initial Draft of the Memorandum of Agreement (MOA) for the Operation and Maintenance (O&M of the entire FRIMP-CDOR, JIA L/A No. PH-P259 entitled: "Memorandum of Agreement For The Operation And Maintenance Of Flood Risk Management Project For Cagayan de Oro River (FRIMP-CDOR) JICA Loan PH-259".

In this connection, kindly be informed that this Office has thoroughly reviewed the proposed Memorandum of Agreement and finds its provisions to be in legal order and, thus, pose no legal objection thereto, save for the following recommendations.

1. The Memorandum Of Agreement specified that ***DPWH shall provide a regular and periodic report and/or inventory of the status of the lots affected by the project, preferably every two (2) weeks, until all the lots affected are fully acquired.***¹

Hence, this office is of the opinion and recommendation that an additional provision shall also be added, stating that ***"The payment and acquisition of the lots within the areas considered to be within the easements of the project shall remain to be within the obligation and responsibility of the DPWH"***.

2. The Memorandum Of Agreement specified that ***The O & M, however, does not include the unworked portion under Contract Package No. 1, specifically described as Sta. 0+000- Sta. 0 + 140mand all other uncompleted related/associated structures and facilities.***²

Hence, this office is of the opinion and recommendation that an additional provision shall also be added, stating that ***"The completion of the unfinished portion of the project shall remain to be within the obligation and responsibility of the DPWH to finish the construction of the same"***.

3. In addition, it is also proposed that two (2) ACKNOWLEDGMENT portions in separate pages be made at the end portion of the MOA in the event that the representative/signatories of the Department of Public Works and Highways

¹ Provision in the MOA.

² Provision in the MOA.

(DPWH) are from Manila. Accordingly, the notarization for their acknowledgment will also be in Manila, while on the other hand, the other acknowledgment for the City Mayor, will be notarized in Cagayan de Oro City.

Thus, should the City Government find the terms and conditions in the *Memorandum of Agreement* amenable and for the best interests of the City Government, and assuming that the City can fully comply with it through the City Engineering Department, then this Office recommends that the *Memorandum of Agreement* be duly forwarded to the Honorable Members of the City Council for their favorable consideration, with a request for an Ordinance authorizing the City Mayor to enter into and sign the same, pursuant to Sec. 455 (1) (vi)³ of the Local Government Code.
