Dear Hon. Gaane:

Greetings!

This pertains to the proposed Ordinance entitled "An Ordinance Providing for Free Annual Comprehensive Medical Check-Ups and Laboratory Exams to all Residents in Cagayan de Oro with Prioritization to the Senior Citizens, Solo Persons and Persons with Disabilities in Government Health Facilities Under the City Government of Cagayan de Oro," which was indorsed before this Office for review.

In this connection, kindly be informed that this Office has thoroughly reviewed the above-mentioned proposed Ordinance, and finds the application legally sound and thus pose no legal objection to the same, subject to the comment and/or recommendation of the **Local Finance Committee** in Section 10 of the proposed Ordinance, to wit:

*"Section 10. Appropriation – Annual appropriation, as may be applicable, for this free annual medical check-up shall be made into a regular appropriation in the Annual or Supplemental budgets of Cagayan de Oro City."*

In addition, it is highly recommended that, in the eventual implementation of the proposed Ordinance, proper coordination be established with the **Liga ng mga Barangay**. This is particularly crucial considering that Section 5 thereof outlines the "establishment and full operation of additional Konsulta Providers across different Barangays in Cagayan de Oro."

Finally, this recommendation is subject to the sound wisdom and discretion of the Honorable City Council, taking into account the respective comments and recommendations to the subject proposed Ordinance of the Department of Health, PhilHealth, J.R. Borja General Hospital, City Budget office and the City Health Office.

For your guidance and information.

SUBJECT: FREE ANNUAL COMPREHENSIVE MEDICAL CHECK-UPS AND  
LABORATORY EXAM IN PUBLIC HOSPITALS

Dear Councilor Gaane:

Greetings of peace and good health!

This is in response to the letter dated 01 September 2022 regarding the proposed ordinance, filed by Vice Mayor Jocelyn B. Rodriguez "providing for free annual comprehensive medical check-ups and laboratory exams in public hospitals or laboratories to all residents in Cagayan de Oro City".

I would like to inform your kind office that the J.R. Borja General Hospital—Out Patient Department has been providing the abovementioned services for FREE to the residents of the city and other neighboring provinces, giving priority to our Senior Citizens, Solo Parents, and Persons with Disabilities (PWDs) since most of our patients are marginalized.

Rest assured that we will continuously provide a timely delivery of efficient, effective, and quality health care services to our patients the best way we can.

Thank you so much!

Dear **Hon. Councilor Gaane:**

This refers to the Proposed Ordinance entitled “ **AN ORDINANCE PROVIDING FOR FREE ANNUAL COMPREHENSIVE MEDICAL CHECK-UPS AND LABORATORY EXAMS IN PUBLIC HOSPITALS OR LABORATORIES IN CAGAYAN DE ORO TO ALL RESIDENTS IN CAGAYAN DE ORO AND GIVING PRIORITY TO THE SENIOR CITIZENS, SOLO PARENTS AND PERSONS WITH DISABILITIES**”, forwarded to this office for comments/opinion/recommendation.

Herewith are our comments/opinions and recommendations on the proposed ordinance, to wit:

1. Firstly, we would like to comment on the particular statement in the proposed ordinance “**TO ALL RESIDENTS IN CAGAYAN DE ORO**”.

As stated in the first paragraph of the proposed ordinance that quotes Section 2, Article 13 of the 1957 Constitution that provides “ the State shall adopt an integrated and comprehensive approach to health development x.x.x available to all the people at affordable cost.(underscoring ours).

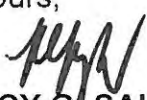

As stated, health and other social services shall not be necessarily free to all but at affordable cost. Maybe for the most underprivileged who cannot afford to pay such services. However, said services may already be catered for free in the city's JRBGH and accredited PhilHealth Barangay Health Centers thru PhilHealth/Universal Health Care , and other medical/health services under the different programs, projects and activities under the Executive Department and City Social Welfare and Development Department.

2. Further, a similar/parallel program of this current administration "Serbisyo sa Baryo," Program is actively implemented wherein such basic services like the free annual medical check-up, among others, is already package in that program. It is an ongoing program held twice a month in different barangays of the city.
3. In view of the above, the proposed ordinance may already be a duplication of the existing aforestated programs, among others, of the city.

Thank you.

Very truly yours,

  
**ATTY. PERCY G. SALAZAR**  
City Budget Officer 

## COMMENTS

**To the Proposed ordinance filed by Vice Mayor Jocelyn B. Rodriguez "providing for free annual comprehensive medical check-ups and laboratory exams in public hospitals . . ." among others.**

Every Filipino citizen shall be automatically included into the National Health Insurance Program, hereinafter referred to as the Program. Membership to NHIP shall be in 2 types – direct membership and indirect membership.

Every Filipino shall register with a public or private primary care provider of choice with due consideration to proximity and ease of travel of those seeking care, absorptive capacity of the provider for quality care, and provider capability to deliver the required services, among others. The LGUs, with the assistance from DOH and PhilHealth, shall register their respective constituents to a primary care provider within their territorial jurisdiction; Provided, That the DOH, in coordination with PhilHealth, shall promulgate the guidelines on the registration of every Filipino to a primary care provider that stipulate the standard processes, procedures, guidelines, form, and data management, among others. The DOH shall issue guidelines for the licensing of primary care providers in accordance with Sections 27.4 and 27.5 of these Rules.

Health services shall be classified as population-based health services if they fulfill any of the following criteria: a. Intended to be received by populations or identified groups of people, of which outcomes contribute to the general public health, safety and protection; and, b. Rendered in response to a public health emergency or disaster or any circumstance of equal magnitude, such as diseases for elimination, that has affected, or can potentially affect, a population. This will be financed by PhilHealth and DOH.

Individual-based health services shall be financed primarily through prepayment mechanisms such as social health insurance, private health insurance, and HMO plans to ensure predictability of health expenditures; Provided, That the DOH and PhilHealth, in consultation with the Insurance Commission, private health insurance and HMOs, shall issue guidelines and monitoring schemes in order to rationalize financing schemes and to ensure that there is complementation in the financing coverage of individual-based health services in accordance with Sections 18 and 28.

Every member shall be granted immediate eligibility for health benefit packages without the need of presenting the PhilHealth identification card under the Program; Provided, That this does not preclude the necessity to present any valid identification for purposes of proving identity. Those who are not in the PhilHealth database shall be duly registered by health care facilities, subject to the guidelines that will be issued by PhilHealth.

Failure to pay premiums shall not prevent the enjoyment of any Program benefits. However, employers and self-employed direct contributors shall be required to pay all missed contributions with an interest, compounded monthly:

a. At least three percent (3%) for employers of private and government sector, sea-based migrant workers; and kasambahays; and,

CAGAYAN DE ORO CITY HEALTH OFFICE - The Nation's ideal public health care service provider to ensure healthy and empowered Cagay-anons.

"Spread Love Safely and Responsibly"

b. Not exceeding one and one-half percent (1.5%) for self-earning individuals, professional practitioners, land-based migrant workers, Filipinos living abroad; and Filipinos with dual citizenship. 9.3.

Failure by the employer and self-employed direct contributors to pay premium contributions shall constitute an offense as provided for under Section 3 8 of the Act.

The City Health Office is now preparing for the full implementation of UHC law. However, the city has at least 6 facilities which are already accredited by PhilHealth for eKonsulta Package namely: Lumbia City Hospital, Carmen Health Center, Lapasan Health Center, Nazareth Health Center, Nazareth Health Center and City Health Office Clinic and will be launched on Sept 3<sup>rd</sup> week. Each eKonsulta facility will serve at least 20,000 members assigned to it.

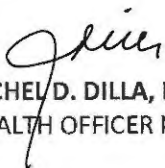

The Implementation of Universal Health Care Law is now going on wherein the City Health Office focus in achieving the Functional, Managerial and Financial Maturity Level of the city and thus be able to fully implement the Universal Health Care Law. Based on the Proposed 2023 Budget, there will be hiring of additional personnel (doctors, nurses, midwives, medtechs, and IT personnel) to man the Primary Care Facilities. Also, level 2 laboratories will be established strategically in some Primary Care Facilities. Mobile Lab (x-ray and blood chem lab) will be equipped to serve the hinterland and hard to reach barangays.

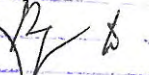

While waiting for the full implementation of UHC, Mayor Rolando Klarex Uy has started conducting the Serbisong Klarex sa Baryo wherein all the basic services of the city hall including medical and dental services will be brought to the barangays. At least 2 barangays will be visited monthly.

Wherefore, given the above premises, it is humbly said that:

1. The services covered by this proposed ordinance will be part of the services given during the full implementation of Universal Health Care.
2. The City Council to give full support for the approval of proposed 2023 Health Budget for the implementation of UHC and the initial health services that will be fully devolved to the city in 2023.

Respectfully submitted on September 9, 2022.

Dear Maam,

Greetings!

This is in response to your indorsement seeking for review and opinion on the proposed ordinance entitled "*Ordinance Institutionalizing the Cagayan de Oro Barangay Mental Wellbeing Corner and for Other Purposes*".

In this connection, kindly be informed that this Office has thoroughly reviewed the above-mentioned proposed ordinance and, together with the recommendation issued thereby by the City Health Office (CHO), City Social Welfare and Development Department (CSWDD), and Department of Health (DOH), find the same to be legally sound and in order. As such, this Office poses no legal objection thereto, save for the following recommendations/observations:

1. In view of the various responsibilities to be assumed by the Barangay in the proposed ordinance, including the provision of necessary resources and/or funding, the honorable committee should coordinate with the Liga ng mga Barangay to ensure effective implementation of the mental wellbeing corner in the eighty (80) barangays of the city.
2. The proposed ordinance be referred to the Local Finance Committee (LFC) for their review, comment and recommendation. Their input is particularly important as to matters pertaining to the responsibilities of the City Government of Cagayan de Oro to provide honoraria and incentives, in the form of financial support, as part of the recognition program under section 12 thereof.
3. For purposes of consistency, the honorable committee should determine, with finality, the designation of the barangay worker - as to whether he/she be referred to as Mental Wellbeing Worker or Mental Health Worker.
4. In relation to section 5 (1) of the proposed ordinance, there shall also be proper registration and accreditation of Mental Wellbeing Workers or Mental Health Workers, similar to the registration and accreditation of Barangay Health Workers (BHWs) and Barangay Nutrition Scholars (BNSs) under City Ordinance No. 14031-2021. This is to ensure that volunteers or such other mental well-being advocates, as provided in the proposed ordinance, are properly equipped with the necessary training and skills as mental wellbeing worker.

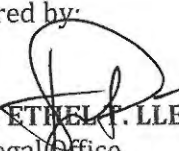

In addition, the Mental Wellbeing Focal Person who shall have direct supervision of the Barangay Mental Wellbeing Worker, as provided under section 5 (5) of the proposed ordinance, should be a Mental Health Professional. This requirement is consistent with the definition of Mental Health Workers under section 4(k) of City Ordinance No. 14297-2022, which provides that: *"Mental health workers refer to trained volunteers and advocates engaged in mental health promotion and services **under the supervision of mental health professionals**".* (Emphasis supplied)

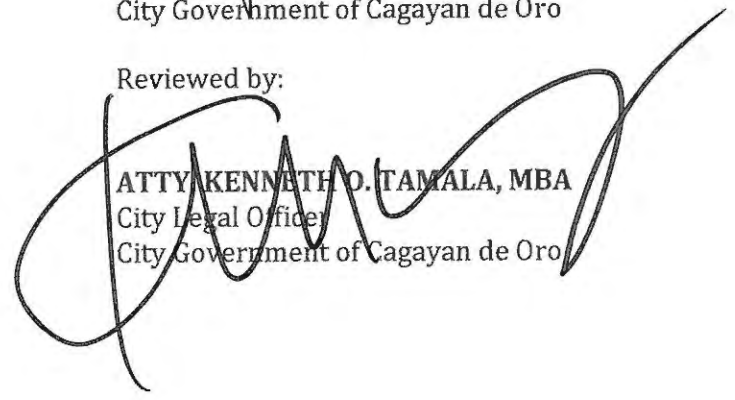

This recommendation is, however, subject to the sound discretion of the honorable committee and the concerned offices, in recognition of their respective competence in this specialized area.

For your guidance and appropriate action.

**COUNCILOR MARIA LOURDES GAANE**

Chairperson

Committee on Health, Nutrition, and Health Insurance,

Dear Councilor Gaane,

Greetings!

We are writing to formally relay the comments for the proposed ordinance entitled "An Ordinance Institutionalizing the Barangay Mental Health Corner and For Other Purposes, as discussed during the committee hearing last September 29, 2023 at the City Council Session Hall. First and foremost, we would like to express our sincere gratitude for creating and lobbying for this ordinance. An ordinance dedicated specifically to the Mental Health Corners is indeed instrumental in the institutionalization of responsive mental health program at the barangay level and to ensuring quality Mental Health Services consistent to National Standards. This will initiate the recognition that the rising mental health issues in our city is for everyone's concern and the barangay leaders to be provided with clearer guidelines on their role in mitigating this problem. . .

To further enhance clarity and comprehensiveness of this ordinance, May we kindly recommend the following additions:

1. It may be helpful to include a provision stipulating the possible sources of funding for the sustainability of this program by mandating or encouraging barangays to also include budgetary allotment in their annual investment plans to ensure sustainability, especially since no barangay budget allocation has been the most common concern raised by our existing Mental Health Corners leading to some becoming non-functional.
2. Part of the concerns also raised by the existing Mental Health Corners is the competing responsibilities the existing Mental Health Focals holding the multiple roles of VAWC Desk Worker, Barangay Health Worker, etc. Most of the Mental Health Corners that have remained functional to date have appointed a separate Mental Health Focal Person. Hence, it is also recommended that a separate provision is given to encourage every barangay to assign a Mental Health Focal Person who serves as the team leader in every Barangay Mental Health Corner.
3. To strive for a more data-driven approach to our rising mental health concerns, it may also be helpful to warrant a separate provision specific to the monthly submission of report to an office in City Hall, perhaps the City Health Office, who will serve as data custodian of the different Mental Health concerns of the city. These data, in turn, shall be shared by CHO with partner offices and organizations, including CSWD, subject to data privacy and confidentiality bases for future intervention designs.

HON. MARIA LOURDES S. GAANE, M.D.  
Chairperson-Committee on Health and Sanitation  
City Council, Cagayan de Oro City

Dear Dr. Gaane,

Respectfully submitting our opinion and comment regarding the proposed ordinance authored by Hon. Jocelyn B. Rodriguez, City Vice Mayor, entitled, "Establishment of Barangay Mental Health Desks"

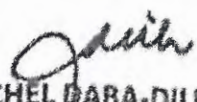

The City Health Office through its Mental Health Program in the health centers cater to the provision of free maintenance medicines for diagnosed mental health patients with utmost care with confidentiality and non-discrimatory services. Some 60 selected Barangay Health Workers were capacitated by the Philippine Mental Health Association on Community-based Mental Health Awareness Program. These BHWs conduct bench conferences in their barangays. However, only 2 medical officers are trained on MH Gap Course. Letter of Request has been sent to the Center for Health and Development Northern Mindanao Region for the conduct of MH Gap to our doctors and nurses.

As to the proposed Ordinance entitled "Institutionalizing the Barangay Mental Wellness Corner and for other purposes", we suggest that Mental Wellness Desk which will be located at the Barangay Hall and one of the staff to man this desk is the Barangay Health Worker trained on Mental Health Care, and to ensure proper recording and reporting of mental health services rendered or referred.

It is suggested that a section on Funding Source be inserted with encouragement to barangay LGU to allot separate funds for Mental Wellness Corner.

Thank you and God Bless!

Very truly yours,

  
RACHEL DABA-DILLA, RN, MD, CFP

Barangays Kauswagan, Tablon, and Balulang. This year, we hope to continue the said search and hopefully have more entries from the different barangays.

As we can see, existing efforts are already present. However, should the Council choose to pursue this separate ordinance, below are some suggestions:

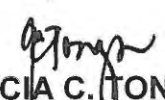

1. Consider the retention of the name "Barangay Mental Health Corner" since existing programs are already in place and consider complementing the said program.
2. In Sec. 3, Objectives, #3, include psychological first aid after education programs.
3. In Sec. 3, #5, consider mentioning ... "and referral networks between the Mental Health Help Desk and the City Mental Health Services as prescribed under Ordinance No. 14297-2022" ... to emphasize continuity care.
4. In Sec. 4, Establishment and Location of the Barangay Mental Help Desk, location should be specified. In practice, the current Barangay Mental Health Corners are found within or around the vicinity of the barangay hall. Also, consider including the Committee Chairperson and the Cagayan de Oro Mental Health Board (COMHB) in communications as well as collaborations.
5. In Sec. 5, Composition, kindly consider the inclusion of Barangay VAW Desk Workers (since some are already trained), non-government organization representatives present in the locality, academe members, retirees of government service willing to volunteer, child and student representatives, parent representatives, and church/ faith-based representative. Perhaps that inclusion of psychologists and social workers should only be subject to willing volunteers or if Barangay can afford to appropriate budget for them.
6. In Section 10, consider including that "Regular monthly reporting should be submitted to the Cagayan de Oro City Mental Health Board to consolidate a city-wide database on mental health concerns and conditions.
7. Include a separate section for the Annual Search for Best Barangay Mental Health Corner to be implemented during an Annual Assembly for Barangay Mental Health Advocates to conduct ideally during October during the World Mental Health Day celebration.

Once again, we are truly grateful for the time and effort you are investing in helping us battle the rising cases of mental health concerns. We are hopeful that working collaboratively, we would be able to address this for the betterment of the general public.
